Jennifer, David, Bruce – attached is the latest draft of the agriculture initiative, reflecting input received from EPA Regions and Program offices.

There is a 'full' version (with all edits made in response to those comments shown in track-change) and a 'clean' version (with all edits accepted).

I assume you all will want to review and comment on this. I will be happy to incorporate any further comments.

Otherwise, I think parts of this draft are ready to share with USDA to start the dialogue. **Deliberative Process / Ex. 5**

Please let me know if there is anything else I can do for now to move this along.
